Hypocrites

“I like your Christ. I do not like your Christians. Your Christians are so unlike your Christ. The materialism of affluent Christian countries appears to contradict the claims of Jesus Christ that says it's not possible to worship both Mammon and God at the same time.”

Gandhi

Boring

“You can’t upset him even slightly, he just smiles and nods politely, then goes home and worships nightly. Flanders, the smiling moustached geek who loves his God.”
Homer Simpson on Ned Flanders

Evil

“I do everything in my power to warn people against faith itself, not just against so-called “extremist” faith. The teachings of “moderate” religion, though not extremist in themselves, are an open invitation to extremism.”

Richard Dawkins

Sorry...

Jesus says in Matthew 23:

23. You have neglected the more important matters of the law – justice, mercy and faithfulness.

25 You clean the outside of the cup and dish, but inside they are full of greed and self-indulgence.

28 On the outside you appear to people as righteous but on the inside you are full of hypocrisy and wickedness.

Sorry...

Jesus says in Matthew 23:

33 'You snakes! You brood of vipers!

37 'Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, and you were not willing.

So you might think to yourself it's all a bit too weird. I mean apart from being involved at the beginning of science, systems of government, philosophy, art, schools, hospitals, the emancipation of women, the abolition of slavery, social welfare, helping form the basis of the moral code most people live by, and introducing popular notions of justice, mercy, decency and compassion, what has Christianity ever really done for the world?

“Humans have killed humans in the name of anything whether its religious or political or whatever. Humans just like to kill each other. And they’ll use religion as an excuse, and they’ll use politics as an excuse and they’ll use freedom as an excuse. But the idea that you take away one of the excuses and the killing will suddenly stop happening I think is absurd.” David Mitchell

For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures...
